PARENT NOTE

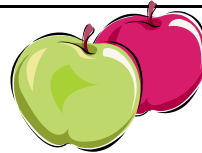

Welcome to Enrichment Class

- Look who's in our class!
- This is what we look like!
- Parent help request: Can you stay and help us with scissors and cutting today? Please let me know.

22/24

An Apple A Day

- Happy Birthday Johnny Appleseed
- Guess My Seeds
- Counting Apples
- An apple is an apple is an apple? We don't think so!
- Cooking with Apples— yum!

29/Oct 1 Let's Experiment With Color

- Lots of color experiments
- Our very own Mini Museum (see details at right)

Plant Bulbs

Watch for your child's name in this space. It will be their day to bring a "collection" of 15 items for our Mini-Museum.

Examples of collections:

- rocks
- shells
- jewelry
- cars
- beanie babies
- whatever!

Oh Boy! We've got a fun year ahead...

- lots of group activities and creative thinking
- some combined class field trips
- science, music, drama, puppets, games
- sewing, newspapers, maps, volcanoes, cooking
- paper mache, a day at the beach
