

# SCIENCE CLUB

## January 2012

1/2

New Year's Holiday—No school

1/9

Pink Dolphins?

Veronica is going to teach us all about the pink river dolphins of the Amazon. I am really looking forward to finding out about an animal that I did not know existed until last year.

1/16

Martin Luther King Day—No school

1/23

Siberian Tigers

Bring in your little cat feet. Aine is planning to explore the lifestyle of one of the world's most endangered creatures.

1/30

Deep Space

Too many cookies over the holidays? Anna has the answer. Zero gravity! I know that I will need some “enlightening” after all the chocolate and eggnog treats.

**Snow policy reminder: Check the school hotline (425-881-8899), the website ([bellevuecountrydayschool.com](http://bellevuecountrydayschool.com)), and/or weather conditions to determine if class is being held.**
