

# SCIENCE EXPLORERS

## November 2009

11/2, 11/4, 11/5

### The World of Bats

We explore the myths and misconceptions of these fascinating flying mammals and do a little math along the way.

11/9, 11/12

### Field Trip to Lake Hills Greenbelt Wetland

**No classes Wednesday due to Veterans Day. Join us  
or Thursday**

Monday, leaving the school by 12:45, tour starts at 1:15pm or  
leaving the school by 3:15pm, tour starts at 3:45. You may  
directly at the site or sign up for a carpool.

This is a chance to explore the flora, fauna, and wildlife native to this area in a natural laboratory. Be prepared to walk. Come dressed for the weather, we go rain or shine. Bring a flashlight. (Required for the evening Class) Parents and siblings are welcome to join us.

**Monday**

Thursday,  
meet us

11/16, 11/18, 11/19

### Recycling and Pollution Solutions

**Bring a sack full of your family's weekly recycling.** We will weigh, sort, and reuse these throwaways in new and creative ways.

11/23, 11/25

**No class on Thursday so please join us Wed at 3:45**

### Science Toys and Games

Bring your favorites and we will explore the science that creates the fun.

Happy Thanksgiving to all!
